

Amanda Waaldyk

Endo Champion

Dr Amanda Waaldyk is the founder and director of Angea Women's Health clinic, an integrative Chinese medicine practice with a focus on fertility, women's health, hormones and supporting women through every phase of life.

Amanda's approach is soul meets science, guiding her patients to ultimate health an integrative approach of whole body medicine.

Amanda is a registered Doctor of Chinese Medicine, yoga & meditation teacher and energy healer.

Amanda empowers and educates her clients to reconnect with their inherent body wisdom, navigate their way back to balance (naturally) and live the happiest and most thriving version of their lives.
